## IMAGO DEI CHURCH

### About the Family

My name is Ellie Wilkins. I was born and raised in a small town outside of Raleigh, North Carolina. After coming to know the Lord in high school, I was faithfully discipled in a local church, cultivating my deep love for God's Word and desire to proclaim the gospel.

In response to this growing conviction, I enrolled at Southeastern Baptist Theological Seminary to pursue a B.A. and an M.A. in Biblical Counseling to better equip myself for discipleship and evangelism. I joined my church, Imago Dei, as a member in June 2023, where my heart for gospel proclamation was stirred up all the more.

My life was transformed in high school by the faithful gospel proclamation of the saints, and I delight in taking part in God's work through gospel proclamation to college students in Raleigh.

### About My Ministry

Through time spent with college students in the Raleigh area, I have seen a significant need for faithful gospel proclamation. Many students are searching for truth, and some are returning to church after years of absence or spiritual deconstruction.

Students are coming to the Raleigh Triangle from all over the world to study at our local universities. Together, our team is committed to faithfully proclaiming the gospel, discipling students, and equipping them to live as ambassadors for Christ on their campuses. The Lord is clearly at work among these students, and I am eager to participate in what He is doing!

Find out how you can  
**Pray.**  
**Participate.**  
**Provide.**

#### PRAY.

Please pray for the hearts of the college students our team will engage with on campus, that they would be granted ears ready to hear the gospel truth. Pray for strength and protection in times of discouragement as our team experiences spiritual fatigue and opposition to the gospel. Pray that in all we do, on every college campus, Christ would be glorified! Pray like Ephesians 6:18-20!

#### PARTICIPATE

Your participation in prayer and financial giving is a blessing! Thank you for joining me as we, the Church, seek to make Christ's name known among all generations and people!

#### PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
