### PRAY.

Pray for boldness to share the gospel and for open hearts in the Greater Philadelphia Region and Lehigh Valley. Philadelphia is the second largest city in the East with more than 6 million souls yet only 6% of its residents are followers of Jesus. The lostness and need for Jesus is great! Pray that through this ministry, others may have a life-changing encounter with God's love and join Him on mission. Pray for open doors and God's favor over Haney Love Ministries as we share Jesus through word and song. Pray for God's anointing over us as we create, share and inspire. Pray for protection and stamina for the Haney family, Bedrock Church and the Send Network amidst attacks from the enemy.

## About the Family

Eric is from Asheville, N.C., and was raised on fried chicken and cornbread! God captured his heart as a teen, and he started preaching at 16. Anissa is from the Greater Philadelphia Area and has always had a love for cultures and languages. God called her to missions at 8 years old. Our love for God and music brought us together more than 20 years ago. We have been in ministry, making music together ever since!

God blessed us with three sons, Elijah (17), Malachi (15) and Noble (9). For the past 11 years, we have been a family on mission together in Europe as IMB missionaries in Stockholm, Sweden. Last year, God led us back to the States and put the Greater Philadelphia Area on our hearts. Our band/ministry name is Haney Love. We recently created the Stories of Hope, seven New Testament stories brought to life through music.

## About My Ministry

As "musicianaries," God has called us to share His message of hope through word and song and create music and materials that point people to Jesus. Philly is a very diverse city with a rich musical heritage and great impact on culture. Since music and art can be powerful vehicles for the gospel, we are excited to see what God will do here!

As evangelism catalysts, we engage the lost in our community with the gospel through music and arts opportunities, discipleship groups, outreaches and daily life-on-life opportunities. We are passionate worship leaders, songwriter/artists and speakers and desire to be a resource to the Send Network to encourage and equip church plants and help them engage their communities in creative ways for the Kingdom of God. Anissa is currently writing an outreach/ discipleship curriculum for churches as well.
