About My Church Plant

River City Church is located in an urban community on the edge of Pittsburgh. It began in 2016 with a small group of people who were radically changed by God's amazing grace. Our desire is for others to hear the good news as well.

River City Church in Pittsburgh exists to glorify God as we make, mature and multiply disciples of Jesus Christ through gospel-focused worship, gospel-formed community and gospel-fueled service.

PRAY.

The people in our community have many physical, mental and psychological needs. Pray for lost and broken individuals to find healing and forgiveness in Jesus.

Pray that God would save those who are entrapped by empty religious systems that offer no real hope.

Pray that God would raise up workers to join the harvest and for mature believers to lead others in their spiritual growth.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
