FIRST BAPTIST CHURCH OPELIKA

About the Family

I was saved at a young age and understood my need for Jesus. I grew up an Auburn fan and recently graduated from Auburn University. I was called to ministry when I was a junior in high school, and my life hasn't been the same since. I am passionate about God's Word, caring for people and sharing the gospel. My desire is for all people to know Jesus and the peace, love and satisfaction that comes with that.

About My Ministry

My vision for my time as a campus missionary is simple. In short, I have a desire to disciple those who already have a relationship with Jesus and find those who don't and share the gospel with them. At a place like Auburn, many people go to church and know all the right answers, but they may not be sold out for following Jesus and following Him where He leads. I desire to find those people and get to know them personally and point them to the cross of Jesus as their source for all things good.
