REDEEMER BAPTIST CHURCH

## About the Family

I was born and raised in the South Bay Area in Northern California. My genuine relationship with Jesus started as a student during my first year at California Baptist University.

## About My Ministry

The discipleship staff at California Baptist University plays a pivotal role in students developing into steadfast disciples of Christ.

But how? Through faithful gospel-sharing and a highly relational discipleship strategy, they commit their lives to Christ, are established and equipped for faithful obedience, and are challenged to do the same for others as it was done to them. Our hope is that these young men and women might commit themselves to the invaluable opportunity (and joy) of God's work to make disciples of all nations.

I am so excited to partner with His Church for the sake of His mission. Certainly, God will not fail.
