### FREEDOM IGLESIA HISPANA

### About the Family

Today, both my wife, Erika, and I work in the field of education, fully aware that we can also transform lives through the classroom. Our children, Gabriel and Mariana, walk alongside us in this mission. They are actively involved in our church and their joy and energy have been a blessing throughout every season.

Freedom Iglesia Hispana is not just a ministry; it is a family project born out of faith and sustained by love. We see our calling not as something we do alone, but as a journey we walk together, trusting that every step we take is part of God's beautiful plan for our family and community.

### About My Church Plant

By God's grace, the church has grown in faith, community, and purpose. Along with our Sunday services, we've launched ministries like an English Club to support people in need, a hospitality ministry to warmly welcome guests, and a visitation team to pray for the sick. We also offer Christian counseling to provide biblical guidance and emotional healing in a pastoral setting.

Each ministry reflects Christ's compassion and helps us reach people in practical, loving ways. We believe God will continue to grow this work and impact many families in our city and beyond.
