ABIDE CHURCH

About the Family

We are grateful and honoured to be church planters for NAMB. My wife, Heesun, and I have been married since 2013. We have three beautiful children—Abigail, Sam, and Eunice. I have been serving as a pastor since 2010, serving in a variety of ministries including youth, young adults, choir, and mission.

About My Church Plant

God has allowed me to serve in youth ministry for the majority of my time as a pastor, and I am grateful to be planting a church with a group of young adults whom I ministered to while they were in the youth group. I am passionate about communicating the gospel to people of all generations and cultures, and it is our prayer that Abide Church be a place where transformative worship can take place.

The name of our church in Korean is 주임재교회, which translates to “The Presence of the Lord.” The English name of the church is simply “Abide Church,” which emphasizes our desire to remain in His presence and to abide by His Word.

PRAY.

We ask for you to pray that we are blessed with core members who share our passion for experiencing the presence of God in worship. Please pray for my family, especially my children, as they have also been chosen by God to be planters of this small seed for the gospel. Please pray that Abide Church is able to form an intimate relationship with the members of her neighbourhood. Please pray that we do the work of caring for believers and non-believers alike, including members of the community that we will strive to support in every way possible. Please pray that the presence of the Holy Spirit will be deeply experienced in all our worship services.
