About the Family

I have been happily married for 31 years. My husband and I have one daughter who is a CPA and another daughter who is a data scientist. They both work for Delta. My husband worked as a computer engineer for UPS and retired in February 2022. I have one sister who is married and a nephew.

About My Ministry

I am an SBC-endorsed healthcare chaplain with Baptist Health South Florida in Miami, Fla.

God has graciously provided a new ministry assignment as a staff chaplain with Baptist Health South Florida. We are in the midst of moving and transitioning to this new divine assignment. I graduated with a Master of Arts in Pastoral Ministry in May 2022 from New Orleans Baptist Theological Seminary (NOBTS). I graduated with my Master of Divinity with a specialization in chaplaincy in December 2023 from NOBTS. I am a licensed professional counselor and graduated with my master's degree in counseling and psychological services in 1989.

I have served my Lord faithfully as a Christian counselor.
