LIGHTHOUSE COMMUNITY CHURCH

About the Family

We are a young family. We love the LORD and strive to honour Him in the way we live and serve each day. Please pray that we will lay aside every weight and the sin that so easily entangles us and that we will always keep our eyes on Jesus the author and finisher of our faith as we run the race He has set before us.

We have a wide open field of ministry among international students here in Stephenville, Texas. We are praying that He will use us to reach many of them and bring them to saving faith in the Lord Jesus Christ.

About My Church Plant

The LORD has opened a wide door of ministry for us to reach international students here in Stephenville, Texas. The work has just begun. We are excited about the support we are receiving from key players in the community. With God's help, we hope to be a beacon of hope and light to many international students in our town. For those who do not know the Lord, we pray that they will come to know Him by faith. For those who are already Christians, we pray that they will be strengthened and that they will continue growing in the grace and knowledge of our Lord and Savior, Jesus Christ.
