About the Family

I've been married to my beautiful wife, Tiffany, since 2015. We cherish our four kids and love spending time together as a family.

I played college basketball and enjoy watching the Lakers win. Tiffany enjoys leading worship and serving in the church.

We love serving God, serving people and making memories. We have a heart for biblical hospitality and making people feel known and cared for.

About My Church Plant

We have answered the call to plant a church. This call carries great responsibility and great excitement. We desire to see people live the greatest commandment (love God and love people) and carry out the Great Commission (make disciples of all nations).
