SERVANT'S HEART BAPTIST CHURCH

## About the Family

Hello! I'm Pastor George Frencl from LaPorte, Ind., where I live with my amazing wife of 23 years, Amanda, and our two incredible children, Michael (23) and Lauren (20). We are thrilled to be stepping out in faith as we plant Servant's Heart Baptist Church in Michigan City, Ind., a new work where God is already moving in powerful ways!

## About My Church Plant

Our heart for Michigan City is to shine the love of Jesus Christ by boldly sharing His gospel and serving with humility and joy. We are committed to being the willing servants God has called us to be—touching lives, building hope and pointing our community to the life-changing power of Christ.

### PRAY.

Please keep Servant's Heart Baptist Church in prayer as we plant a new church in a community deeply affected by poverty, broken homes and a lack of stable support. We are committed to bringing the hope and love of Christ to those who are hurting. Pray God will provide the financial resources and partners we need to serve effectively, meet practical needs and share the life-changing power of the gospel in Michigan City.

### PARTICIPATE

We invite you to join us in this mission—through your prayers, your financial support and by connecting us with the resources that can help us reach those in need. Together, we can share Christ's love and make a lasting impact in Michigan City.
