CARLISLE BAPTIST CHURCH

About the Family

My wife, Cheryl, and I completed more than 30 years of ministry in Vermont in January of 2017. We were involved in evangelism, discipleship, church planting, Green Mountain Association leadership and were on the Baptist Convention of New England board of directors.

Together we assisted in seven church plants in Vermont. I assisted in working with the leadership teams in the new plants. I also mentored new church planters, assisted in permitting for church ministry facilities and networked with area churches in southern Vermont.

In 2017, we relocated to central Pennsylvania to assist in new church planting field preparation. The move also allowed us to be closer to our aging parents so we can assist them in everyday life.

About My Ministry

We have teamed up with Carlisle Baptist Church in this new ministry. We currently are living in an unfinished hunting cabin in the woods of Perry County.

We have begun developing relationships with Amish neighbors and Perry County residents. Our ministry includes providing hunting opportunities, respite for local pastors and missionaries who are on home assignment.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
