REDEEMER BAPTIST CHURCH

About the Family

I grew up all over the United States before my family settled in San Diego, Calif. I attended California Baptist University (CBU) and graduated in spring of 2023 with a bachelor's degree in Christian behavioral science. At CBU, I met Jesus and gave my life to Him through the campus's discipleship ministry. I am ecstatic to be participating full-time in the ministry that was so influential in my faith journey.

On days off, I love spending time with my family, friends and church family. I also love reading, music and almost anything outdoors or hands-on. Nothing is more exciting and fulfilling than seeing people grow in faith in Jesus and develop a passion for the work of the Lord, though!

About My Ministry

California Baptist University has a rapidly growing population of 12,000 students, 5,000 of whom live on campus. Of these 12,000, only one-third call themselves Christian. I will be working with CBU's discipleship ministry to share the gospel with non-believing students, help believing students grow in their faith and equip them to become disciples who make disciples.

By training students to become lifelong disciples and disciple-makers, we hope they will invest in the lives of others on campus, in their local church and after they graduate, whether in their domestic careers or overseas.

PRAY.

Please pray for boldness to share the gospel and open hearts among the students at California Baptist University. Pray that the gospel would save many students and that they would desire to make disciples who make disciples. Pray for perseverance as our staff works hard to invest in college students. Lastly, please pray faithful supporters will come alongside me and enable me to serve students full time.

PARTICIPATE

Your partnership through prayer and donation is vital to my ministry and the advancement of the gospel. Please help me reach full funding so I can work with students full time, sharing the gospel with them, establishing them in their faith, and equipping them to live their purpose: making disciples inside AND outside of CBU. Partner with me in what God is doing at CBU through prayer or financial support!
