HOPE COMMUNITY, NYC

About the Family

I married my incredible wife, Tamra, right out of college, June 4, 2004, and have been in full-time ministry ever since! We've had the amazing privilege of serving three churches: one in Oklahoma, one in Louisiana and now in New York City.

We have two kids. Eli was born in 2008 and Ellie in 2013 and adopted in 2015. We are honored to be serving the King of all kings and being given the privilege to proclaim His incredible gospel wherever He sends us!

About My Church Plant

We are lifetime bondservants of Christ and are currently planting a church called Hope Community in the wonderful area of Brooklyn, N.Y. We, alongside other church planters, are endeavoring to bring the hope of Christ to this very beautiful and unique community of New York City.
