

Gregorio Eduardo Sanchez

IGLESIA JESÚS PARA TODOS

About the Family

I was born in Havana, Cuba, in 1963. I graduated from university in 1988 with a bachelor's degree in biochemistry, specializing in microbiology. I began to know the Lord when I had a personal encounter with Him. This changed my life and strongly motivated to answer His call to serve Him.

In 1993, the Lord allowed me to marry the perfect helper in my wife, Mayren. Mayren has been by my side all these years supporting me in the ministry and serving in different functions in the church. She is my faithful companion.

About My Church Plant

In 1995, we planted our first church. Then in 2000, we planted our second church. Both churches are in Cuba. We have studied different theology courses, earning a bachelor's degree in theology with an emphasis on missiology. I am responding to the call of the Lord found in Matthew 28:18-29. We started planting this new church in the city of Homestead, Fla., near Miami. We are grateful for the help and collaboration of the North American Mission Board in this process. We are seeing fruit, thanks to God's support.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for my family as we work together in ministry.
Pray the church will be established and will faithfully work to plant in other communities, too.
Pray the Lord brings leaders who can help within the church.
Pray for stamina and longevity for ministry amidst attacks from the enemy.
May the Lord continue adding to the church those who are to be saved.

PARTICIPATE

Build relationships with a church planter, team members and their families.
Send notes of encouragement.
Learn birthdays and anniversaries, so you can send gifts and cards.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.
Support a church planter financially.
