MOSAIC CHURCH

About the Family

After earning a bachelor's degree with a focus in computer information systems and business, I moved back to Virginia, married my best friend, and took a job as a software engineer. I was always interested in theology, but pastoral ministry wasn't my plan.

But God's plan was different. In 2014, I was called and appointed to be a worship and executive pastor. Through the years, God has been gracious to me as I have grown in my ability to teach and lead according to the Scriptures. My greatest desire is to see Christians equipped with rock-solid theology and Christ-centered practice.

My wife, Ashley, and I have called Mechanicsville home for more than a decade, and she is an incredible partner in ministry.

About My Church Plant

In January 2020, Mosaic Church was born as a group of like-minded believers came together around gospel-centrality and historical Baptist convictions. Focused on building strong community and developing theological clarity, we are slowly and steadily growing as God sees fit.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray that God will convert hearts and change lives through the ministry of this church, and that He will provide the resources we need to continue pushing forward together!

PARTICIPATE

Other than prayer, you can participate in Mosaic's ministry through two R's. First, relationships. We would love to connect with you. Let us know you're praying for us. Who knows what God might have in store from just a simple email? Second, resources. We know that God will provide everything we need, and perhaps He will provide it through you.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
