PROVIDENCE CHURCH

About the Family

We are Harrison and Janae Beckmann! We have three children, Will, Skylar, and Raelynn. I served as an associate pastor for 10 years prior to going into church planting. I have an M.Div. from Indianapolis Theological Seminary. I am passionate about the church knowing and loving God's Word. My life's goal is to see disciples made through the gospel proclaimed and God's glory displayed.

Janae loves the church, loves women in the church and wants to see women discipled and knowing that God's Word is good for them, too! She homeschools our three children.

About My Church Plant

Providence Church will exist to worship God as we make disciples for His glory.

God willing, Providence Church will be planted in the Speedway area on the west side of Indianapolis in 2025. Speedway is a small town within a big city that is ripe to hear the gospel preached and lived out in a healthy local church. I'm currently in residency at Harvest Church north of Indianapolis, training, preparing and gathering a core team to go with us to Speedway.
