About the Family

I graduated from Murray State University in May 2023 and am currently attending Southeastern seminary to pursue a master's degree in biblical counseling. I enjoy reading, writing and meeting new people over a cup of coffee! I'm very passionate about discipleship and equipping students to share the gospel in their everyday lives.

About My Ministry

I work as the Campus Ministry Associate at Murray State's Baptist Campus Ministry. I believe that the college campus is one of the most strategic mission fields we have access to as we seek to reach the nations and next generation of disciples all in one place. I have the joy of seeing students grow not only in their urgency when it comes to sharing the gospel, but in their compassion, contextualization, and care while doing so as well. We exist on the campus to proclaim the gospel of Jesus Christ to see students reached with the gospel, connected to a local body of believers, and strengthened in their walk with the Lord.
