PRAY.

Pray for my employment at the VA medical center as a clinical chaplain. Pray for boldness to share the gospel and open hearts among the people to whom I minister.

Pray the people whom I serve will come to saving faith in Jesus Christ and become members of the kingdom of God.

Pray for veterans and their family members who suffer depression symptoms and mental illnesses.

PARTICIPATE

Commit to long-term prayer support. Explore the opportunities to extend the reach of your church by becoming a chaplain. Be involved in supporting chaplains and their families. Send notes of encouragement. Talk with a chaplain about his or her ministry context. Send resources that support a chaplain's ministry context. Pray for chaplains and their families.

PROVIDE

NAMB does not provide compensation for SBC endorsed chaplains. However, a general fund is available to receive donations in support of the ministry and pastoral care to SBC endorsed chaplains. To donate, please visit [Support Chaplaincy \(missionaries.namb.net/projects/full/chaplaincy\)](https://missionaries.namb.net/projects/full/chaplaincy).

Ho Kim

KOREAN AMERICAN GRACE BAPTIST CHURCH

About the Family

I am a Korean-American pastor. I was born in South Korea and came to the USA as a 30-year-old student studying abroad at Southeastern Baptist Theological Seminary. I married my current wife 36 years ago and have three children whose jobs relate to the military service. The first is a daughter, currently working as a combat medic in the U.S. Army, the second is a son, currently serving as an officer of the Dallas Police Department and the Texas National Guard, and the third is a son and currently serving as a naval corpsman in the U.S. Navy.

About My Ministry

I have 35 years civilian ministry experiences as a Southern Baptist pastor, 14 years military ministry experiences as a Army Reserve chaplain and three years hospital ministry experience as a clinical chaplain. I worked as a clinical chaplain at the Hampton VA medical center in 2019 and 2020. At the end of 2020, I was deployed to Kuwait and worked as a clinical chaplain at a U.S. Army hospital in Camp Arifjan for six months.

Now I am preparing myself to get in a VA medical center as a clinical chaplain.
