ASANTE.CHURCH

### About the Family

My wife, Rachel, and I have been married since 2010 and have been together since middle school. We have two little girls, Brookelyn and Mackenzie. As a family we enjoy camping, hiking, hanging out and watching movies.

I am the lead pastor and church planter of Asante.Church. Rachel takes care of the church's administrative and financial duties. Our girls take care of all things cute and princessy while making sure everyone around them is having fun.

### About My Church Plant

More than 10,000 people live in our community of Asante and Desert Oasis just north of Surprise, Ariz. More than 90% of those people are un-churched or de-churched. Fifty-five percent of our community is made up of young, growing families and the remaining 45% is made up of median to senior adults and retirees.

Our aim is to build a community of believers that is made up of families seeking to put Jesus first in their lives, homes and surroundings. This takes a multi-generational approach. We want to see new families team up with experienced families, the aged team up with the young, the student team up with the retiree, and the saved teamed up with the lost.

Asante.Church exists to create community to discover true life in Jesus.
