About My Church Plant

Rejoice Church serves the Korean community and students from Korea in the Portland metro area and Vancouver, Wash. The goal of Rejoice Church is to expand the kingdom of God through the core values of our church, by the gospel of the kingdom of God, through Bible reading and prayer that is life-changing. We want to create an authentic community that is balanced and growing where the people of God and the community will rejoice for Jesus and restore the kingdom of God.

PARTICIPATE

We believe in Jesus Christ and His power. Jesus will heal and restore our community and cause people to rejoice. Visit rejoicepdx.org to learn how you can join us.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
