DODREAM CHURCH

About the Family

I was born as the fourth child of a pastor. Since childhood, I have believed in God. After experiencing the sacrifice of Jesus while studying the Word, I decided to become a pastor. I received training from a discipleship organization and am currently serving in a church. I have a wife who serves in ministry with me and three children who are involved in church activities while pursuing their individual social lives.

About My Church Plant

I am ministering to the Korean community at Dream Church in Suwanee, Georgia. The core of our ministry revolves around Genesis 1:28, focusing on building people and co-creating a beautiful world as God intended. We are engaged in discipleship training to fulfill this vision, conducting worship services and hosting small group gatherings.
