

Isaac and Lexi Swink

PORT CITY CHURCH

About the Family

We are the Swinks! I am a North Carolina native, and Lexi is originally from Upstate New York. Both of us heard the gospel and became followers of Christ through the efforts of church planting. We met and became close friends while serving in college ministry and were married shortly after.

Although we are unified in our mission, we both have different passions that work together. My heart beats for young adults who are asking the big questions of life and those struggling with what they believe. Lexi is burdened for international students and groups and under-resourced communities. Individually and together, our lives have been categorized by a desire to know God and to make Him known!

About My Church Plant

In January of 2023, the Lord led us to join Port City Church, which will be launching in 2024 in Norfolk, Virginia. Our role when we arrive in Norfolk will be to serve as full-time collegiate/urban missionaries starting in August of 2023. We will be focusing on Old Dominion University (ODU), which has a diverse body of students, including a prominent international community.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for boldness to share the gospel and open hearts among the people to whom we speak.
Pray for favor with students and faculty.
Pray that we will see our first third-generation disciple within one year of being in Norfolk.

PARTICIPATE

We would love to have you partner with us in two ways primarily:

1. Partner with us by supporting us through monthly giving.
2. Partner with us through prayer. Join us in praying daily for the salvation of souls on the college campus of ODU and in the city of Norfolk. We cannot do this in our own power or strength, and we are relying on God fully.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources.
Support a missionary financially.
