About My Church Plant

It all started with a group of 20 people passionate about glorifying God through the fulfillment of the Great Commission. Pastor Israel and several brothers had a deep desire to see the Word of God preached expositively in the Hispanic world and to make disciples of Jesus. After having served in different ministries and having a fervent desire to plant a biblical church in Miami, they and their pastor, Israel Iglesias, decided to join forces with Harvest Bible Fellowship, and they planted what we know today as Vertical Church Miami. Our passion is to glorify God and make disciples of Jesus.
