### VALLEY CHURCH

### About the Family

Amanda and I have been married since March 24, 2012. We grew in the same church, but it wasn't until a mission trip in college that we began liking each other—and we haven't stopped since! We both have a background in education before serving in full-time ministry. I taught high-school math, and she taught fifth grade. The Lord has blessed us with three wonderful children: Lyla, Joshua and Aaron. We love to spend time together exploring our city at parks, museums and various community events.

Amanda and I both served with NAMB in college. God used these experiences to give us a burden for the unreached places of North America. Over time, He refined that burden to a specific call—church planting. The call to a city came after I visited Boston on a short-term mission trip. We are excited to join in God's work here in New England!

### About My Church Plant

Our family has been in Boston since July 2023. I am serving on staff as a church planting resident at Redemption Hill Church, Medford. We will be planting in Tewksbury, Mass., a suburban town in both the Greater Boston and Merrimack Valley regions. Throughout the next 12–18 months, we will begin to engage Tewksbury with the gospel by meeting tangible needs in the community. Our core team will begin meeting in fall 2024, with a projected launch date of Valley Church in fall 2025.
