REDEMPTION HILL CHURCH - CHURCH PLANT

About the Family

Amanda and I have been married since March 24, 2012. We grew in the same church, but it wasn't until a mission trip in college that we began liking each other—and we haven't stopped since! We both have a background in education before serving in full-time ministry. I taught high-school math, and she taught fifth grade. The Lord has blessed us with three wonderful children: Lyla, Joshua and Aaron. We love to spend time together exploring our city at parks, museums and various community events.

Amanda and I both served with NAMB in college. God used these experiences to give us a burden for the unreached places of North America. Over time, He refined that burden to a specific call—church planting. The call to a city came after I visited Boston on a short-term mission trip. We are excited to join in God's work here in Boston!

About My Church Plant

Our family has been in Boston since July 2023. I am serving on staff as a church planting resident at Redemption Hill Church, Medford. As of winter 2024, we are confirming planting location and relocating to that area of Greater Boston. Throughout the next 12–18 months, we will engage our new city with the gospel by meeting tangible needs in the community. As Jesus is shared, people will be saved, disciples made and churches will be planted!

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for continued confirmation of planting location.
Pray for our family to settle well in our new community.
Pray for favor among New Englanders!
Pray for the Spirit to go before us and open eyes and hearts to the gospel.
Pray for team members who are relocating to the area.
Pray for unity on the planting team.

PARTICIPATE

Build relationships with a church planter, team members and their families.
Send notes of encouragement.
Learn birthdays and anniversaries, so you can send gifts and cards.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.
Support a church planter financially.
