

Coby Greene

CENTER CITY CHURCH

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for boldness to share the gospel as well as open doors and good soil in the students we meet.

Pray that students would be saved and would share Jesus with others for the rest of their lives.

Pray that the Lord would send students to the ends of the earth to reach the unreached with the gospel.

Pray for G'Joe Joseph and James Lecheler as they pastor Center City Church.

Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

The Lord has allowed me to invite others into what He is doing by building a ministry partnership team who will pray for me and financially support me. Our Father is so kind to allow us the joy of being part of His work. The ministry partnership team the Lord gives me is a crucial part of what He is doing. I see His grace and provision through the prayers and generosity of Christ's body. It is my privilege to invite more people into His work.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.

Support a church planter financially.

About the Family

I grew up in a Christian home in South Carolina with two loving parents and an older brother. I accepted Christ at a young age but started to really understand what a relationship with Christ looks like in high school. I attended Clemson University, where I got involved with Campus Outreach (CO) my freshman year. This was the first deep, biblical community I'd had, and it pushed me to not only pursue Jesus personally but to also share Him with others. Sharing the gospel and discipling other men quickly became the best part of college for me. Seeing the Lord completely change lives of college students has been my greatest joy.

In addition to evangelizing and discipling college students, I am very passionate about music. I've served in worship bands for 12 years now, and I am so excited to continue serving the body of Christ in this way.

About My Ministry

In 2021, I went on a vision trip to San Diego with CO to see what ministry was like there. I got to engage college students spiritually, and I was intrigued by their openness to spiritual conversation yet so burdened by their lostness. Earlier that year I started to feel the Lord leading me to college ministry, and I felt He was calling me to San Diego. The Lord made this calling clear a year later when G'Joe Joseph reached out about doing a college ministry focused residency at Center City Church, a church he helped plant in fall 2021.

I will be doing ministry at San Diego State University and Point Loma Nazarene University. I am convinced that the college campus is a wide-open door for effective gospel work since students are seeking to learn and will be the next generation of leaders in communities and cultures all over the world.
