TRUE NORTH FELLOWSHIP

About the Family

I have been married to Susan now for nine years, and we have two precious children: Joyella (7) and Nathan (4) and another girl on the way (March 2022).

We moved to Denver, Colo., in 2017 after we sensed God's leading to be involved in church planting. Our first two years in Colorado were spent getting acclimated to the state and discovering what area the Lord would have us to be involved in a new church plant.

Through God's leading and providence, we were led to plant in Colorado Springs. We love this city and have a burden to see new churches planted and the gospel moved forward.

About My Church Plant

Our church plant is primarily focused on reaching Filipino Americans in the Colorado Springs area. With four military bases in our vicinity, we have a lot of Filipino people come through our community; some move on after a few years and others settle here for good.

With my wife, Susan, being a Filipina, we feel that we have a unique opportunity to reach people from the Philippines right here in Colorado Springs.
