NATIONS CHURCH HOUSTON

## About the Family

I am a missionary serving in the International District of Houston, Texas. I disciple, teach guitar, teach English and serve on Nations Church Houston's leadership team as the volunteer coordinator. I am also in the process of studying biblical counseling at seminary to better equip myself for the field of missionary care.

Houston is one of the most diverse cities in the U.S. with more than 350 people groups. In reaching these people groups with the gospel, we will be able to reach the world.

## About My Church Plant

Nations Church Houston is a multiethnic church plant that has the goal of planting 50 multiethnic churches in Houston over the next 20 years. With a focus in discipleship, the church uses relationship and direct evangelism to see many come to the kingdom of Christ.

"And Jesus came and said to them, 'All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age'" (Matthew 28:18-20).

These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant.
