## DREAMERS CHURCH

### About the Family

I came to Vancouver seven years ago from Korea. I work in Vancouver as a pastor, just as I did in Korea. My wife, Aeri Park, majored in church music. Whatever we do, we consult and cooperate with each other. She is my good companion.

I have three children. The first son is Roy, the second daughter is Chloe, and the third son is Danny. My family loves each other and enjoys happiness.

### About My Church Plant

I saw that there were many people around me who did not believe in Jesus. And I saw that the gospel was not delivered to those people; therefore, I decided to give myself to God so I could preach the gospel to everyone in my area. I, my wife, Aeri, and our three children are going to do our best to share Jesus with others.

We named the church Dreamers Church. The name of the church contains a wish to live together dreaming of God's vision. In this church, my family and an initial core group of three other families gather together to worship God and to share Jesus to the people around us.
