REDEEMER BAPTIST CHURCH

About the Family

Hi! We're Mike and Jailyn, on-campus collegiate ministers who are passionate about seeing college students transformed by the gospel.

Our lives were radically changed through discipleship during our college years, and now we have the joy of walking with students as they discover Jesus, grow in their faith, and are sent out to make disciples of all nations. We serve through our local church and are trusting God to provide through the faithful generosity of partners who believe in this mission. Thank you for investing in what God is doing on campus!

About My Ministry

At California Baptist University (CBU), only about one-third of students are professing and practicing believers—which means the harvest is plentiful here. Additionally, college students are reachable, teachable and sendable.

Our ministry seeks to evangelize the lost, establish new believers in their faith, equip them to live as disciple-makers, and extend the gospel by sending them out onto campus and into the world for God's glory and their joy. We've seen firsthand how God uses this season of life to shape hearts for a lifetime, and we consider it a deep joy to labor on campus through our local church.

Pray that through our ministry, more people would come to saving faith, commit to a local church and be obedient to the Great Commission call on their life.
Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

Please pray for us, our staff and missionaries around the world. Connect with missionaries near you and commit to being part of their lives by praying, supporting and doing life with them. None of this is possible without the work of God through prayer!
