**Pray.**

**Provide.**

#### **PRAY.**

For receptive hearts among the people in communities where we, our team and Realm Church will serve in Oakland and surrounding areas.

For churches and individuals to partner with us and our church plant giving of their time and talents. Partnerships are vital in this expensive area of the U.S.

For the Father to send more laborers to join hands with us and help us with the harvest here where the need for more missionaries is dire.

#### **PARTICIPATE**

We would love to discuss partnering with you in this important work of God. We need you to partner with us to send the gospel to the nations!

#### **PROVIDE**

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. ## REALM CHURCH

### About the Family

Hello! We are a loving, missions-hearted Christian family who has been called by God to plant a church that plants churches and multiplies disciples in the San Francisco Bay Area where most of nearly 8 million people do not know Christ as Savior.

We would love to connect with you, answer questions, share our vision and discuss what partnership could look like. We would love to have you as part of our prayer and support team.

### About My Church Plant

We are missionaries planting Realm Church in the San Francisco Bay Area and are excited about what the Lord will do. I am a graduate of Gateway Seminary, and I have pastored at churches of various sizes for a number of years. I love sharing the gospel, ministering to and discipling people, preaching and teaching.

Please send me an email if you want to obtain more information and want to connect further: [info@therealmchurch.com](mailto:info@therealmchurch.com) to contact us! Blessings to you!
