NORTH CENTRAL BAPTIST CHURCH

About the Family

I am from Jacksonville, Fla., currently living in Gainesville, Fla. I grew up going to church with my three brothers, but gave full lordship of my life to Christ during my freshman year at the University of Florida (UF).

I graduated from UF with a degree in entomology and will be working full-time at the Baptist Collegiate Ministry (BCM) at UF as a collegiate missionary.

About My Ministry

I work with the Baptist Collegiate Ministry at the University of Florida. My life was greatly impacted and heavily invested in during my time at the UF BCM as a student, and I aim to continue that investment in other students. There, I will work closely with college students and invest in their lives, mobilizing them to grow in their walks with God and to make disciples of all nations. We want to share the gospel and further the kingdom of God both at UF and among the nations.
