PILLAR CHURCH OF SAN ANTONIO

About the Family

My wife, Jen, and I are originally from Texas, and we have three children (Joshua, Joanna and Caleb). After marrying in 2014, we moved to Toronto, Ontario, where we planted a church with Send Network. In 2019, we moved to Washington, D.C., where we planted Pillar Church of Washington, D.C. Then, in 2022, Pillar D.C. sent us out to plant once again, this time to San Antonio outside Lackland Air Force Base.

We came to San Antonio because of the massive military presence and the tremendous need for healthy churches that clearly preach the Word of God in this area. We're part the Praetorian Project, a family of multiplying churches in military communities worldwide. San Antonio has been dubbed "Military City USA" and is home to three military installations, 35,000 troops and around 100,000 veterans. The fields here are white for harvest!

About My Church Plant

Pillar San Antonio was formed after Pillar D.C., the church I was previously pastoring, sent my family out along with two other families in the summer of 2022 to begin this new work. Together with four other families who were already in San Antonio, we began having core team meetings in our home in September of 2022.

Our church meets minutes from Lackland Air Force Base, one of the busiest and most active Air Force bases in the world. While we don't exclusively reach military families, and our church is made up of people from all walks of life, we do want to be a church where military members and their families feel at home and loved. We see the transient nature of military life as a unique opportunity to make disciples who will take the gospel with them wherever Uncle Sam sends them around the world.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray that God would continue to build our core team, bringing the right people to be part of this work
Pray for boldness for our church members and for fruitful evangelism as we share the gospel.
Pray for more leaders and disciple makers to rise up in our church.
Pray for open doors to share the gospel with military members and their families in and around Lackland Air Force Base.
Pray for financial provision for our church plant.

PARTICIPATE

There are three main ways you can participate in what God is doing at Pillar San Antonio.
Pray— Prayer is essential if we are going to make disciples and plant churches. Apart from Jesus, we can do nothing! (John 15:5)
Give— We can't do what we do without the generous financial support of churches and individuals who partner with us in giving financially.
Go— Come on a short-term trip as a group, or consider moving here to join us!

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
