SENDING CHURCH: TRINITY CHURCH BENICIA

About the Family

Christin and I met in music theory class at The Master's University and were married just after graduation in 2007. Kaden, Alethea and Auna joined the family in 2008, 2011 and 2014. The clan moved a dozen times, relocating from Los Angeles, to Grass Valley, to Eureka, back to Grass Valley, and then to the Bay Area. Working with the music and children's ministries in four churches, we grew in our love for serving bodies of believers.

In August 2022, when the opportunity to plant a church was realized, we joined Trinity Church of Benicia and received the training necessary to be equipped to start a church in the Napa Valley. I continued pursuing my MDiv at Cornerstone while also filling the pulpits of churches across the Bay Area.

About My Church Plant

My heart is to see the gospel shine brightly in the darkest parts of the Bay Area in California. Calistoga, in northern Napa Valley, is one of those dark areas where the Lord will use me to make new followers of Jesus and to establish a church that will reach the community for Christ and send the message of the gospel to all corners of the earth.
