ÉGLISE ÉVANGÉLIQUE CHRÉTIENNE DE VICTORIAMILLE

About the Family

My wife and I both grew up in the Pacific Northwest in the state of Washington; however, we had never met until I had separated from the military. We got married in 2008 while I was attending Bible college, and she was teaching French at a local high school.

We have always had a desire to live in another country and reach the most unreached with the good news of Jesus. For several years we had visited my wife's family in Québec while learning more about the culture and need for the gospel. While in seminary and serving as a pastor in Portland, Ore., we decided to take the leap and move to Québec. We have been serving in Québec since 2017.

Our family has grown since then. We have four wonderful kids: Lydia, Madeleine, Luc and James. As a family, we love being outside enjoying the seasons exploring God's wonderful creation.

About My Church Plant

We would like to invite you to be part of our family (Jason, Andréa, Lydia, Madeleine, Luc and James) in partnership with us in Québec, Canada. We have been serving here, specifically the French-speaking people, since 2017.

In 2021, we moved to Victoriaville where there is a desperate need for Jesus to be known. We live in a city of 60,000 people with less than .5% evangelical Christian (Québec is the most unreached people group in the Americas).

Praise the Lord that our church has grown to about 100 weekly attendees with about 40 kids. We ask you to engage in the work of the gospel with us by meeting the needs of ministry in Victoriaville. Pray with us that His name will be glorified here! Will you join with us? Together, we can be a hope in a place (Victoriaville) where its citizens are hopelessly searching in hardened soil.

Pray for our family as we continue to work together in ministry. That our marriage continues show Jesus. That our kids will grow up loving Jesus and following Him.

Pray for our local church that it will grow inwardly and be healthy outwardly as it becomes more like Jesus and making Him know in the city.

Pray for our leadership team, for unity, that we can help the church make disciples who make disciples.

Pray for stamina and longevity for ministry amidst attacks from the enemy.
