MAKERS CHURCH NORTHWEST

About the Family

I am married to Meagan and the proud father of two. I have a deep love for humanity. Having more than 20 years of experience, I bring an expert level of communication and organizational leadership to every project and campaign.

I got my start with humble beginnings in my dad's print shop, learning the art and science of paper and ink in the early 1990s. With an unprecedented niche in working with churches and non-profits, I offer a unique level of insight in communicating vision that makes a difference.

My work platforms include producing an Emmy Award winning TV show on NBC. My international experience includes places like Russia, Turkey, Thailand, Myanmar, Mexico, Colombia and Brazil. My personal story is powerful, my vision is compelling, and my ability to communicate the gospel is extraordinary.
