BETHEL IN THE VALLEY

About the Family

I have been married for 22 years. My wife and I have three children and six grandchildren.

About My Church Plant

I was raised in the Mormon church in a small town in southern Colorado. After being saved 10 years ago, God put on my heart to tell my people about the true gospel of salvation. Through a long and winding road, I moved back to Colorado in 2015 and started a church near my hometown in 2019.

We minister to a small congregation and post our services on Facebook and YouTube where my Mormon friends and family are able to hear the message of salvation. Change comes slowly as people who choose to leave the Mormon religion do so at a great cost.
