CHRIST FELLOWSHIP RIVERVIEW

About the Family

I am a passionate individual who is dedicated to church planting. I love to spread the Word of God and build strong communities of faith. In my free time, I love to spend time with Ambar, my beloved Belgian Malinois, who brings me great joy and companionship.

I am also a big fan of reading and am particularly interested in Notre Dame football and discipleship. I love to travel and explore new places when I am not at home. I am also a big fan of Indiana University basketball and enjoy watching the games whenever I get a chance.

About My Church Plant

Christ Fellowship Riverview, located in the fast-growing suburb of Riverview, Fla., is a diverse and multicultural church plant with a heart for reaching people from all socioeconomic backgrounds. Launching in September 2023, the church will be a place where people from different walks of life can come together to worship and grow in their faith.

The launch team is made up of 80% unchurched individuals, and already there have been many confessions of faith and baptisms, demonstrating the power of the gospel to transform lives. Focusing on gospel-centered teaching, vibrant worship and a loving community, Christ Fellowship Riverview is poised to significantly impact the lives of those who call the Riverview area home.
