CHRISTIAN CHALLENGE AT SALISBURY UNIVERSITY

About the Family

I am moving from Georgia to Salisbury, Maryland, to be a missionary at Salisbury University. My fiancée, Jessica, will join me after we are married in January 2027! We are so excited that we have the opportunity to love this community and start our new lives here!

Thank you for partnering with us through prayer and resources. We love and appreciate every single supporter!

About My Ministry

The mission of Christian Challenge at Salisbury University (SU) is to “Be Disciples and Make Disciples” (2 Timothy 2:2 and Matthew 28:18-20). We will share the gospel on campus and disciple those who put their faith in Jesus. Along with those who came to college as Christians, the new believers will be taught how to study the Bible, pray, be part of the local church, share their faith, and live every part of their lives for Jesus. The end goal is multiplication, in which students will join the ministry’s mission and teach others how to follow Jesus.

SU has a student population of more than 7,000, with only two other evangelical campus ministries reaching the campus. Pray for our unity and for God to raise up more workers!
