CHRISTIAN CHALLENGE AT UCCS

About the Family

I moved from Littleton, Colo., in 2017 to the University of Colorado Colorado Springs (UCCS) studying communications while also minoring in creative writing. While at UCCS, I joined the collegiate ministry, Christian Challenge, where I grew in my faith with God and found a great community of believers to keep me accountable and do life with.

During my second year at UCCS, I became a student leader in Christian Challenge and now that I have graduated, I've joined the staff of Christian Challenge UCCS. I'm so excited to be training and pouring into students even more so while being on staff. God is going to do so much through the lives of these students, and I can't wait to be part of it.

About My Ministry

Christian Challenge at UCCS is a collegiate ministry that is a part of the Baptist Collegiate Network. It has been at UCCS since 2008 and has been growing students in Christ through Bible studies, fellowship events, discipleship trainings and evangelism. Through these means we can reach many students on campus, lead them to Christ and grow their relationship with Jesus.

“And this is eternal life, that they know you, the only true God, and Jesus Christ whom you have sent” (John 17:3).
