About the Family

I am a graduate of the University of Oklahoma and Southwestern Baptist Theological University. I have one adult child, Karah, who is 37. I am also the father-in-law of Caroline and grandfather of Kedrynn (13) and Maisie (5).

About My Ministry

Fresno State University is a school of more than 24,000 students and is strategically located in the middle of the state. It is the largest agricultural school in the state and is also strong in engineering and science.

Fresno has a population of more than 600,000 and Fresno County has a little less than 1,000,000. It is located just two and one-half hours away from Yosemite National Park and about one and one-half hours away from Kings Canyon and Sequoia National Parks.

PRAY.

Pray for churches as they prepare to send out missionaries and chaplains to push back lostness in North America. Pray there would be receptive hearts among the people in communities where missionaries and chaplains serve.

Pray churches and individuals will partner with missionaries and chaplains and give of their time and talents. Pray the Father will send more workers into His harvest to join missionaries.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
