HINSON BAPTIST CHURCH

About the Family

Tessa and I married December 6, 2013. We have two children: Corrie Summer (born 11/15/14) and Nate Michael (born 10/20/16). We hope to add more to this clan in the near future! We are getting ready to move from the only place we have known, Riverside, Calif., to a totally different state and culture—Portland, Ore. I will be pursuing a pastoral ministry internship with the hope of being a senior pastor in the next few years.

About My Church Plant

In the near future, I will be participating in a pastoral internship aimed at raising up future pastors and church planters. The bulk of the study is focused on church polity and pastoral ministry. It is meant to equip men to be ready for the difficulties that come with pastoral ministry and leading change in a church. We will read many books, write just as many papers and have even more discussions. This is full immersion, and I am so incredibly grateful you would desire to partner with us. I hope to be in pastoral ministry in the next few years, and your support is helping me to get there. Thank you!

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
