UNITED CITY ESPAÑOL

### About the Family

I have been married to Andrea for eight years and have three beautiful children, Nathan (7), Matthew (3), and Caleb (7 months), and one on the way. We are originally from Los Angeles, Calif., where we were born and raised. After serving eight years in the United States military, we are now planting a church in Houston, Texas.

### About My Church Plant

We have a burden for the Hispanic community, especially in the northeast region of Houston. We began this church plant in August 2022 and have seen steady growth in the two years since then. We are committed to reaching all generations of Spanish-speaking individuals, ensuring we meet the spiritual needs of families. We have a thriving bilingual student ministry and are preparing to launch a weekly men's discipleship program.
