HOUSE TO HOUSE COMMUNITY CHURCH

About the Family

A native Floridian raised in Martin County, I met the Lord in 1996 when an 18-year-old gal named Cissy Simpson (now Cissy Smith) shared the gospel with me on our third date.

Cissy and I have been married for 23 years and live in Port St. Lucie, Fla., where we are planting House to House (H2H) Community Church. We have a wide range of children in the home from ages 8 to 19 (Katelyn, Nina, Steven, Rebekah and our Japanese exchange student, Erina).

About My Church Plant

Since conversion, I've had a strong desire for personal evangelism, discipleship, church planting and international missions work. Over the years, the Lord refined these desires and in 2012, called me into full-time ministry. I left my professional career to pursue Bible college and seminary education and to gain valuable experiences serving the local church in numerous capacities. The desire of my heart is to build up the body by identifying, encouraging, training up and sending out Great Commission minded believers into our communities to reach the Treasure Coast of Florida and beyond with the gospel of Christ through church planting.

Planting H2H Community Church is the natural progression of my walk with the Lord and is a dream come true!
