

Jesse and Carrie Danner

GRACE HARBOR CHURCH

About the Family

Hi, we are Jesse and Carrie Danner. I (Jesse) am blessed to have a mother and father who love Jesus and spent the better half of their lives in ministry serving my Lord and Savior, Jesus Christ. They modeled for me a life that “pressed on,” as Paul mentions in Philippians 3. God then further blessed me with a mother and father-in-law who truly embodied a servant’s heart. They raised a beautiful, God-loving woman named Carrie, who has been my bride for more than 15 years.

Carrie and I met at a Christian camp, Caswell, off the coast of North Carolina, serving as part of the summer staff. We have three children: Bryson (boy, 13), Carsie Grace (girl, 8) and Lawrence Rae (girl, 3). God has, and continues to, cultivate hearts for ministry in my family. We desire to leverage our lives for gospel change in the Northeast.

About My Church Plant

We go to a part of our country where less than 2% of the population are evangelical Christians. In addition, we go to an impoverished area of our country where less than 1% of church planting is happening. God has blessed our family in our desire to relocate from North Carolina to Massachusetts and leverage our lives for gospel change in the Northeast.

We go specifically to the south coast of Massachusetts to partner with an existing church plant, Grace Harbor- MA. We will partner with Grace Harbor and their desire to “plant and revitalize churches in the forgotten places of New Bedford/Fall River, Massachusetts.”
