NORTHWEST BAPTIST CHURCH

About the Family

I was born in Seoul, South Korea. I am a second-generation Chinese. I grew up in a multicultural and international identity background. I have been a church planter of the North American Mission Board and have planted four churches in 20 years.

My wife, Amy, is Korean. We have been married for 35 years.

Amy and I started an organization in 2008 for serving cancer patients and their family members. In 2020, God called me as a chaplain to serve the veterans in the hospital.

About My Ministry

My ministry is focused on serving the veterans in the hospital. Veterans are our country's heroes and need spiritual care for their well-being and salvation. The chaplain's role is a critical conduit for serving the veterans spiritually as a missionary and messenger of the gospel.
