FIRST GRACE BAPTIST CHURCH

About the Family

I have been married to my best friend, Shawn, since 2007. We have two amazing kids who I have had the privilege to homeschool.

We have lived all over the southern and Midwest portions of the U.S. and have enjoyed experiencing living in different cities and towns. We love to play board games. My family tolerates helping me with my garden, as they love the good food that results from the work. One of our hobbies is to try cooking new and interesting foods.

My husband is a pastor, my son is aiming to be a classical concert pianist, and my daughter excels in drawing.

About My Ministry

Over the years, I have participated in a wide variety of ministries from Sunday School teacher to foster parent. Currently, I organize my church's nursery ministry, I'm an informal chaplain for our local pregnancy center, I volunteer as a mentor with teen moms, and I'm an endorsed disaster relief chaplain for both Illinois and Iowa.

My goal is to share the hope of Christ whenever the Lord presents the opportunity and to try meet tangible needs so individuals know that Jesus cares for them.

PRAY.

Please pray that the Lord will grant me wisdom in my conversations with the various people I encounter. Pray God will provide me with spiritual and emotional strength so I will remain healthy enough to continue in ministry for many years. Please pray the hearts of young moms and disaster victims will be receptive to the gospel so they may know Jesus and accept Him as Savior.

The best way for you to help is through prayer as it is the Lord who ultimately provides for every need.
