About the Family

I grew up in northern Colorado but moved to Colorado Springs in August 2025 to pursue a master's degree at the University of Colorado, Colorado Springs (UCCS). My undergraduate degree is from the University of Northern Colorado (UNC), where I initially became connected to Christian Challenge. When I graduated from UNC, I found such a great community in the ministry, so when I started attending UCCS, I again joined Christian Challenge there.

In my first semester attending the master's program, the Lord changed my life plans and directed me toward ministry. I left the program to join the staff at Christian Challenge at UCCS. I joined the staff team in June 2026 and am excited to see how God continues to use me to reach these college students.

About My Ministry

Christian Challenge at UCCS began in 2008, and we exist to challenge students to give their lives to grow with Jesus and tell people about Him. We accomplish this mission by providing weekly Bible studies, discipleship, fellowship, community, and evangelism opportunities on campus.
