**BAPTIST COLLEGIATE MINISTRY AT UNIVERSITY OF MARYLAND**

Find out how you can

**Pray.**

**Participate.**

**Provide.**

### **PRAY.**

Pray for Christian college students to get connected to Christian community on campus so they can grow in their faith and find the role God has for them to play in His kingdom. Pray that non-Christian students will hear and understand the gospel and come to saving faith in Jesus Christ.

### **PARTICIPATE**

Join my monthly newsletter list so you can know how to pray for our ministry. You can do so by contacting me at [jsenasack@gmail.com](mailto:jsenasack@gmail.com).

If you are ever in College Park, come join us on campus and help us serve and reach college students.

You can also partner with our ministry so we can better serve the 40,000+ students at the University of Maryland.

### **PROVIDE**

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.

## About the Family

My husband, Andy, and I live in Crofton, Md., which is located inside the D.C., Baltimore, Annapolis triangle. We are blessed to have access to lots of fun things and good food!

I serve as a Baptist collegiate missionary at University of Maryland, College Park, and Andy works as an auto mechanic. If you live close, hit me up, and Andy will be happy to fix your car!

We stay busy with our jobs, but when we get time to relax we enjoy playing with our charcoal lab, Mattock, having dinner with friends and catching up on our favorite TV shows.

## About My Ministry

I serve as the Baptist collegiate missionary at the University of Maryland, College Park, where I have been serving since June 2007. The University of Maryland has more than 40,000 students who come from across the country and around the world to study due to the university's incredible reputation and its close proximity to Washington D.C.

Baptist Collegiate Ministry serves students by providing weekly worship and Bible studies, one-on-one discipleship, training in evangelism, service projects, retreats, missions trips and fellowship. I love having the opportunity to help students during such a formative stage in their lives.

The goal of our staff is to help students become grounded in their faith and to discover the unique role God has for them to serve His kingdom. We would love for you to partner with us in this incredible ministry!
